

Priya Patel

Machine Learning Engineer

Email: priya.patel@example.com | Phone: (555) 444-5566

SUMMARY

Machine learning engineer with 7 years of Python experience, including deep learning research and production ML pipelines.

SKILLS

Python, C++, PyTorch, TensorFlow, MLflow, AWS SageMaker, Docker

EXPERIENCE

ML Engineer, VisionAI (2020-Present)

- Developed Python computer vision pipelines deployed to production
- Reduced inference latency by 35%

Research Assistant, Tech University (2017-2020)

- Published 2 papers on deep learning for image classification

EDUCATION

Ph.D. Computer Science, Tech University, 2020
